11. Attendance Policy

Attendance at Erin College is crucial. For students holding a student visa, regular attendance is mandatory, aiming for a record of at least 85%. This means missing no more than 18 days (morning students) and 14 days (afternoon students) throughout the 25-week course. Attendance records are final and cannot be changed after the course ends.

Being late or leaving early results in no attendance for the day, except for emergencies allowing up to 15 minutes. Regular tardiness without valid reasons will affect attendance.

All students, including Europeans and those not on student visas, must attend regularly, as non-attendance disrupts learning.

It is expected that you will participate in class activities, speak English and respect both teachers and classmates. Failure to comply may result in expulsion. Tampering with attendance lists or accepting bribes for falsifying attendance is strictly prohibited.

Filming or taking pictures in class without permission is forbidden. Any student not on the attendance list must report to Reception immediately. Adding names by hand to attendance lists is not allowed.

12. Warnings Policy and Sick Leave

Maintaining consistent attendance is vital for a successful academic experience at Erin College. Please familiarise yourself with our Warnings Policy and Sick Leave procedures. Dropping the projected attendance results in a warning letter and reporting to GNIB. After three warnings, expulsion and immigration reporting follow, with an opportunity for appeal within five days.

12.1. Attendance Monitoring:

- For five days in a row without a valid reason for not coming to class, students will receive an email to schedule a meeting with Student Affairs to discuss the reasons for non-attendance.

12.2. Warning System:

- **First Warning:** An email will be sent when the projected attendance reaches 93%. This email serves as a first warning about visa obligations and the importance of maintaining a minimum attendance of 85%.
- **Second Warning:** Another email will be issued at 90% attendance. The student is required to attend a meeting with Student Affairs to discuss the impact of non-attendance and reiterate visa obligations.
- **Third Warning:** A third warning email will be sent at 87% attendance. The student is requested to meet with Student Support to address concerns and explore solutions to improve attendance.

12.3. Expulsion Letter:

- If projected attendance reaches 84%, an Expulsion Letter will be issued. The student will have 5 working days to appeal and request a meeting with the DOS, provided a valid reason for low attendance can be given by the student.

12.4. Appeal and Review:

- Students can appeal any warning by providing valid reasons for their attendance issues. Attendance records, communication logs, and relevant information will be considered during the appeal process.

12.5. Sick leave:

- Certificates must be sent immediately by email to info.cork@erincollege.com.
- Certificates presented more than 2 weeks from the issue date will not be accepted.
- Medical certificates must be provided by a medical practitioner listed with the Irish Medical Council, with exceptions*.
- Students can only use medical certificates for a maximum of two consecutive weeks.
- Longer periods of sickness may be considered for an unscheduled emergency break, subject to individual assessment.

- Once this certificate is produced, the medical certificate will be recorded on our online school system and the student's attendance will not be affected by the days missed.
- Falsifying attendance, such as with fake medical certificates, leads to immediate expulsion.
- Erin College is NOT accepting medical certificates from the clinics below:
